DIRECT® LEGAL SUPPORT

MOBILE APP FOR PROCESS SERVERS

Work your serves from your phone

SDXPro is the free app for process servers who work with **Direct Legal Support**. Stay organized, finish jobs faster, and spend less time on paperwork.

With SDXPro, you can

- Handle bulk registered agent serves quickly
- Organize your day with worklists and sorting
- Capture photos and GPS evidence in the field
- Prompts when a photo requirement can't be met
- Review proofs of service and sign them electronically
- See the jobs closest to where you are
- Download and print service documents anywhere
- Photo categories such as Door and Entrance

SDX PRO Getting started

Free for iPhone and Android

1. Scan the code or tap the button for your phone, then install **SDXPro**.
2. Open the app, choose **Sign In with User/Password**, then tap **Create Account**. Use the **email address you log in to LegalConnect with** and create a password for the app.
3. Open the confirmation email on your phone and tap **Confirm Email Address**.
4. The first time you sign in, accept the terms and create your signature for proofs of service. Your Direct Legal jobs are then ready to work.
